

Asian Institute of Management and Technology®

Affiliated to Gauhati University and Dibrugarh University
Approved by Department of Higher Education, Government of Assam

AIMT welcomes you

With a friendly, unique campus equipped with extensive facilities, situated at the doorstep of North East's number one student city, the Asian Institute of Management and Technology have everything you need to get the most from both your studies and leisure time.

www.asianinstitutions.com

GYANJYOTI
FOUNDATION

GYANJYOTI FOUNDATION

GYANJYOTI FOUNDATION was formed with an avowed mission of providing modern facilities of Health, Education and Social up-lift in North East India. The main objective of the trust is to create awareness among the people regarding the need for education.

The aim of Gyanjyoti Foundation is to develop a pool of talent in the field of education that can be competent in the future. In addition, adding value to this field in the short term, bringing fresh ideas, supporting a high performance culture and providing cross divisional knowledge, sharing and networking are key features of the foundation.

Academic Programmes

Asian Institute of Management
and Technology®

Affiliated to Gauhati University and Approved by Department of Higher Education,
Government of Assam

Courses Offered		Duration
BBA	Bachelor of Business Administration	3 years
BCA	Bachelor of Computer Application	3 years
BSc Biotechnology	Bachelor of Science in Biotechnology	3 years
BSc Microbiology	Bachelor of Science in Microbiology	3 years
BAJMC	Bachelor of Journalism and Mass Communication	3 years

Affiliated to Dibrugarh University and Approved by Department of Higher Education,
Government of Assam

MAMC	Master of Arts in Mass Communication	2 years
-------------	--------------------------------------	---------

Asian Institute of Management and Technology provides a good platform for student- faculty interaction and helps to solve their problems, both academic and personal. Here, the students are very attentive and try their level best to come out with flying colours.

Together, we will continue to build one of the region's best institutions for the public good.

Wishing you all the very best and hope you have wonderful learning experience.

Dr. Niren Deka, MSc. PhD.

Academic Director

Asian Institute of Management and Technology

Exceptional Resources

AIMT is one of the best-resourced higher educational institutions in the region, with a wide range of facilities, including modern lecture halls, state-of-the-art laboratories, computer pools, Wi-Fi connectivity, world wide database access and online teaching tools.

Thank you for considering AIMT the place of your study for giving your career a bright future. At AIMT, have a cutting edge in keeping education up-to-date with the excitement and knowledge of all the latest developments.

If you join us, you will find a dynamic and vibrant atmosphere conducive to the all-round development of students. AIMT and the city of Guwahati will also offer you the social, sporting and welfare facilities that will ensure that you have an exciting and fulfilling student life.

I encourage you to visit us, explore the campus, meet the academic staff and students and take time to make the right decision for you.

Dr. Satya Sarma
Principal, AIMT

Classrooms

The spacious classrooms at AIMT provide the most conducive atmosphere for dynamic and focused discussions. They have been designed to bring together analysis with action and are augmented with integrated audio-visual teaching aids such as LCD Projector for lectures, presentations and studies to provide a congenial learning atmosphere.

Seminar Hall

AIMT have a state-of-the-art Seminar Hall that acts as a platform for students, faculty members and corporate personalities for regular interface, conferences and other events. The Seminar Hall is equipped with advanced presentation tools, sophisticated projection and Hi-Tech Audio systems networked through an Intranet. It is an ideal venue for presentations, meetings, group discussions, seminars, workshops and symposia held regularly by the institutions.

The holistic and goal oriented approach of AIMT towards education shapes students as efficient and competent human assets and responsible citizens with relevant skills, strong morals and high morale, thereby ensuring that everything comes up roses in their lives.

Debajyoti Sarma Borbora, Trainer
Dept. of Training & Placement

Library

The Library at AIMT is an integrated information resource centre stocked with large number of books, periodicals and references, national and international journals, e-journals, audio / video CD's and DVD's and electronic course materials covering all aspects of academic and research material. Designed as learning and information hub, the library has computer access with Internet and learning support.

AIMT has been a pioneer in educating tomorrow's visionaries, conducting cutting-edge education, and leading a broad range of initiatives that validate the transformative power of the student's career. It is assiduously heading towards achieving high academic standards and values while preparing candidates to meet the global standards.

Pallavi Guha, HOD, Computer Science Department

Electronics Lab

AIMT provide state-of-the-art digital electronic lab which enables the students to acquire and develop their hardware skills in accordance with the industrial expectations. They are well equipped with all the latest instruments in order to provide the students sound and updated information in addition to basic knowledge. The following are the equipments available in the laboratory - Cathode Ray Oscillators (CRO), Function Generators, Power Supply, Microprocessor Kits, Regulators, Digital Logic Gates, etc.

Computer Lab

The Centre for Computer Application has computer systems and Network Technology, well equipped High-End Computers having i3, i5 and i7 Processors. The lab supports the entire number crunching requirements of the department. The latest versions of software and other advanced operating systems provide hands-on training in various fields of computers. The campus hosts a leased internet line which helps the students to update themselves with the recent trends in the industry with online UPS and special furniture for computer users. The lab is provided with an LCD Projector with all necessary peripherals to enhance the quality of training.

Bioscience Labs

The state-of-the-art laboratories allow students to experiment and bring to practice what they have learnt in theory. Further, laboratories with all the latest instruments for experimentation are provided for advanced study in the disciplines of Bioscience viz. Biochemistry, Genetic Engineering, Microbiology, Biotechnology, Chemistry Lab, Cell & Molecular Biology, Tissue Culture and Bioinformatics.

Asian Institute of Management and Technology is among the few top institute in North-East India. The environment of the institution is conducive with an inspiring academic culture. The course has just re-emphasized my passion for computers and strengthened my knowledge which has given me a boost in starting my career.

Rupam Sharma
Bachelor of Computer Application

Placement Cell

The Training and Placement Cell is an integral part of the institute. The institutions have provided complete infrastructure for effective functioning of the cell. Training activities are organized throughout the year in an effort towards preparing the prospective students for the campus selection programmes. The cell invites various industries and reputed firms for campus recruitment.

Some of our Recruiters

- TCS iON ■ Infosys ■ SONY ■ Bharti Infratel Ltd. ■ HCL ■ Datapro ■ Airtel
- HDFC BANK ■ ING Vysya Bank ■ ICICI Bank ■ AXIS Bank ■ UBI ■ Indian Bank ■ Bridgestone ■ Unisys ■ Exide ■ Indigo Airlines ■ Edubridge
