Singhal

Welcome to Bhagwati Institute of Technology & Science, an integral part of the esteemed JMS Group of Institutions. As the founder, I am delighted to extend a warm embrace to a community that transcends the Bhagwati Institute of Technology & Science. Our family includes JMS Group of Institutions, Jai Maa Savitri Group of Institutions, JMS World School, JMS Sports Academy and JMS Pharmacy College.

Situated across lush green campuses spanning 20 acres, we are strategically located on the outskirts of the Industrial City of Ghaziabad and Hapur. Approved by AICTE & PCI and affiliated with renowned state universities, we offer comprehensive programs in technical, management, and para-medical fields.

Our vision is to democratize education, fostering socio-economic upliftment. We are committed to imparting holistic education, instilling discipline, a sense of belongingness, and a sharp intellect. Our mission is to shape distinguished personalities, enriching their lives and contributing to families, industries, and society.

Committed to pioneering education, we take pride in our deep-rooted partnership with Sunstone fostering a collaborative ecosystem where education and innovation thrive. Our shared vision with Sunstone has been instrumental in shaping the educational landscape, and together, we continue to empower students with cutting-edge resources and transformative learning experiences.

Join us in this journey of knowledge, character building, and societal transformation.

# Letter from Founders' Desk

With time, the importance and meaning of education has changed. Relevant education goes beyond theoretical knowledge, it should involve practical application too and lead to better job opportunities.

A college degree alone isn't enough in these fast-paced times. In a rapidly changing world, leading companies hire employees based on their skill sets and not just their marks. They seek professionals who are ready for new job roles from their very first day.

We, at Sunstone, bring together the best of learning and industry practices to ensure that every student is transformed into a professional who is noticed by employers.

We empower you to meet the demands of the industry by complementing the traditional education model with a curriculum that is designed and delivered by recruiters. To help you stand out from the crowd and kickstart your dream career, we ensure you get ample opportunities to practise what you learn and aid your holistic development by enhancing your overall skills. We increase your chances of getting your dream job by helping you develop a professional portfolio which highlights your skills, experience and achievements.

Sunstone is transforming India's future workforce, one student at a time, and we proudly invite you to take the first step towards your dream job with us!

**Abhay Upadhayay, BCA, 2023-26**

I had an amazing time during my first year at college, there were lots of activities and events on campus, from sports to clubs, and I joined a few that I enjoyed. Overall, my first year of college was full of new experiences, learnings, and wonderful memories that I'll cherish forever.

**Raghav Bihani, BCA, 2020-23**

My experience learning with Sunstone is good and the faculties are also cooperative & supportive. They always help us to learn new things and motivate us to achieve our goals.
