

Kickstart your career with

**Sri Sukhmani Institute of Management,**

**Delhi** Powered by Sunstone

# Letter from Founders' Desk

With time, the importance and meaning of education has changed. Relevant education goes beyond theoretical knowledge, it should involve practical application too and lead to better job opportunities.

A college degree alone isn't enough in these fast-paced times. In a rapidly changing world, leading companies hire employees based on their skill sets and not just their marks. They seek professionals who are ready for new job roles from their very first day.

We, at Sunstone, bring together the best of learning and industry practices to ensure that every student is transformed into a professional who is noticed by employers.

We empower you to meet the demands of the industry by complementing the traditional education model with a curriculum that is designed and delivered by recruiters. To help you stand out from the crowd and kickstart your dream career, we ensure you get ample opportunities to practise what you learn and aid your holistic development by enhancing your overall skills. We increase your chances of getting your dream job by helping you develop a professional portfolio which highlights your skills, experience and achievements.

Sunstone is transforming India's future workforce, one student at a time, and we proudly invite you to take the first step towards your dream job with us!

# Welcome to **Sri Sukhmani Institute of Management**

Set up under the Aegis of Sri Sukhmani Group of Institutes, it was established more than 4 decades ago, in 1979, by Philanthropist Educationist Prof. Avtar Singh and has since carved a niche for itself in the area of Management. At SSIM, students are equipped with knowledge, skills and, confidence that are relevant to contemporary managerial practices. The institute strives to sharpen Management skills and produce managers of tomorrow who can meet the global demands in the field of management. Sri Sukhmani Institute of Management has a beautiful campus, fully equipped with labs, library, AC classrooms, Wi-fi accessibility and other state-of-the-art infrastructure.
